

5 Truths

OF FIELD SERVICE MANAGEMENT

~A Comparison Of~ CLOUD BASED FIELD SERVICE AUTOMATION VS. THE OLD WAY OF DOING THINGS

1. FIELD EFFICIENCIES

Before

4 JOBS
A DAY

After

5 JOBS
A DAY

"The mechanics have been able to complete more jobs, they are increasing by one and half jobs a day."

2. INVOICING IN A FLASH

Before

1 HOUR

After

5 MINS

"Previously it took about 45 minutes to an hour to invoice customers. Now everything is all in one spot and invoicing can happen immediately."

3. SCHEDULING IS A SNAP

Before

10 CALLS
A DAY

After

4 CALLS
A DAY

"It has cut down on the calls techs have to make into the office, and it has absolutely helped us improve our customer service."

4. QUOTE TO INVOICE TO SIGNATURE

Before

2 MONTHS

After

2 DAYS

"Before field service automation it would take months to process invoices, now it only takes a couple of days."

5. MAKE YOUR BACK OFFICE HUM

Before

4 HOURS

After

10 MINS

"They used to be entered manually which took hours, now it can be accomplished in 10 minutes."
